## Privacy Policy

This privacy policy (“Privacy Policy”) describes how information is collected and used on mplexvr.com and coredisruption.com (“Web Sites”) operated by MPLEX, LLC, (“Company,” “we,” or “us”). By visiting the Web Sites, you agree to all policies contained on them including this Privacy Policy and the [Terms and Conditions](#).

The Company offers downloads of the video game Core Disruption™ via the Steam® and Oculus® web sites. While Discord! provides social media services for Core Disruption™, there are other social media links on our Web Sites, including Facebook®, Twitter®, Instagram®, YouTube®, and Patreon®. These web sites are independent from the Company and contain their own privacy policies and terms and conditions. Please review them separately as they differ from the policies on the Web Sites. If you download the game, you must agree to our End User License Agreements (“EULA”) contained on the Steam® and Oculus® web sites.

### **Information We Collect**

We collect limited information about you during your visit to the Web Sites. You may visit the Web Sites anonymously. During your visit, we may collect non-personally identifiable information about your visit such as information regarding which pages you visit or how you interact with the Web Sites. This data is collected via cookies. Your browser may permit you to block the use of cookies, but that may inhibit your experience or use of the Web Sites. We may also collect data via pixels (tracking codes) regarding which third-party web sites sent you to the Web Sites.

These are the categories of information collected from you on the Web Sites:

- Name
- Email Address
- Discord Username
- Operating System
- Type of Headset
- Preferred Platform
- IP Address.

You may also voluntarily submit additional information to us, such as site observations or experiences.

### **How We Use the Information**

We use the information you submit to us to provide information you request or respond to inquiries. We use the information submitted via the “Beta” form to facilitate participation in our Beta program. We may also use information, including usage data, to troubleshoot or make improvements to the Web Sites.

### **How We Share Information with Other Parties**

We do not sell your data to any third parties for marketing purposes, however, we may share information you submit to a service provider to respond to troubleshooting requests. Under those circumstances, the service provider may contact you with the status of your ticket.

The platforms on which the Company’s products, including but not limited to Core Disruption, are sold and/or played share usage data with the Company, such as player statistics and in app purchases. Usernames are also provided. Other third-party web sites may provide information to us about which web site referred you to the Web Sites. This data is aggregated.

The social media companies listed on the Web Sites may receive analytical and usage data from us and vice versa. That data may include an IP address.

### **Security**

We implement a variety of security measures to maintain the safety of your personal information. Your personal information is contained behind secured networks and is only accessible by a limited number of persons who have special access rights to such systems. Despite these precautions, no security system is impenetrable. As such, we do not guarantee the absolute safety of your information.

### **Deleting Your Data**

If you wish to delete your personal information, send a request via email to [support@coredisruption.com](mailto:support@coredisruption.com). Please note aggregated data collected from your

visit will not be deleted, you must also contact any third-party web sites with a similar request.

### **Children's Information**

We do not knowingly collect information from children under 13 years of age. If we learn that a child under 13 years of age has submitted information to the Company, we will immediately delete it.

### **Changes to Our Policy**

If we decide to change this Privacy Policy, we will post those changes on this page and change the effective date. Policy changes will apply only to information collected after the date of the change.

### **Questions and Feedback**

We welcome your questions, comments, and concerns about privacy. Please send us any and all feedback pertaining to privacy to [support@coredisruption.com](mailto:support@coredisruption.com).
